National Electrification Administration

24 August 2007

MEMORANDUM No. 2007-022

TO : ALL ELECTRIC COOPERATIVES (ECs)
SUBJECT : First Semester 2007 Categorization Advisory

NEA conducts regular assessment of ECs operational performance to determine the assistance necessary to attain reliability and viability. The attached First Semester 2007 Categorization of ECs provides the six-month performance and reflects your accomplishments based on established criteria.

Some seventy-nine (79) ECs that were able to submit the required Monthly Financial and Statistical Report (MFSRs) were included in the evaluation by the Committee. Our congratulations to all the ECs in Regions CAR, VI, VII, X and XI for having fully complied with the requirements on time. Those that were not included in this advisory are reminded to be more conscious of timely submission.

ECs which earned good ratings are encouraged to further strive for the best while those with below-standard ratings are enjoined to concentrate on the areas where performance ratings are low.

This advisory does not authorize any upward or downward adjustments on per diems and allowances but is issued as fair notice to all ECs. The final and official 2007 category ratings of ECs shall be released in the First Quarter of 2008.

Finally, this document can be made available at NEA's website: www.nea.gov.ph.
