**2013 NE-CRC BULLETIN NO. 04**

DATE : 03 April 2013  
TO : **ALL ELECTRIC COOPERATIVES (ECs)**  
ATTENTION : BOARD PRESIDENTS, GENERAL MANAGERS /OFFICERS-IN-CHARGE  
SUBJECT : **INDEFINITE POSTPONEMENT OF 2013 NEA-EC CONFERENCE AND RECOGNITION CEREMONIES (NE-CRC)**

---

The NEA-EC Conference and Recognition, originally scheduled on May 2-5, 2013 at the Holiday Inn Hotel, Clark, Pampanga, is hereby indefinitely postponed after appropriate consultations with EC Leaders and other officials have been done. These are the two pressing reasons:

- 1) Mindanao Power Situation where ECs experience at present daily 8-12 hours rotating brownouts due to lack of available power supply. This is being addressed jointly by participation of both government and the multiple stakeholders, including ECs. It is therefore necessary to provide them time to be able to determine the next firm steps and options in the succeeding weeks. By providing for such, this will help assuage the anxiety of 2.24 million mainland consumers of ECs.
- 2) Forthcoming national and local elections where COMELEC and the Department of Education have requested the full support and cooperation of the NEA and ECs for the smooth conduct of elections. It is necessary, as always, for both to assure all interested parties to satisfy election requirements, particularly in monitoring and ensuring power reliability before, during and after elections for the whole country. Thus, the presence of the leaders of the ECs starting the month of May is imperative. This will provide the much needed confidence to our people and the national leadership since electricity is a vital component to the successful conduct of elections.

We will advise you of any latest development regarding this matter. We are definite that you do agree with this postponement.

Thank you very much.
