TECHNICAL ADVISORY NO. 2

Series of 2016

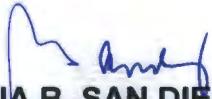

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : PREVENTIVE MEASURES TO ENSURE CONTINUOUS SUPPLY OF ELECTRICITY IN THE ECs' RESPECTIVE FRANCHISE AREAS

In view of the recent bombing incident that happened in Davao City and per the September 5, 2016 Advisory from the Office of Secretary Alfonso G. Cusi to ensure the continuous supply of electricity in the country, all ECs are hereby enjoined to be on alert, vigilant and must adopt preventive measures to secure respective assets/facilities to wit:

- Network facilities especially those serving the critical loads such as sub-transmission lines, substations, primary distribution lines, power plants, etc.
- Non-network facilities such as offices, warehouses, communications, etc.

For your guidance and compliance.
