Dear Administrator Masongsong:

Greetings on behalf of Pampanga II Electric Cooperative, Inc..

On October 25, 2017, the Prequalification, Bids and Awards Committee (PBAC) of PELCO II will conduct its bidding for the coop's acquisition of a power supply contract for energy requirements of 40 MW capacity in a period of ten (10) years. Please refer to the details below:

CAPACITY	COVERED PERIOD
10 MW	December 26, 2017 to December 25, 2018
30 MW	December 26, 2018 to December 25, 2027

The conduct of bidding is in line with the rules on competitive selection process (CSP) set by ERC, NEA and DOE. Accordingly, the above requirements are the subject of the terms of reference or TOR which your office duly evaluated and approved in your letter dated August 11, 2017. Said bidding will start at 10:00 AM at the main office, 2nd Floor Boardroom, San Roque, Guagua, Pampanga.

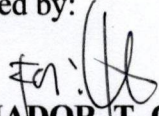

In view of this, we respectfully request a representative from your office to observe this important activity.

Thank you and we look forward to your participation.

Very truly yours,

ENRIQUE Y. GAMBOA
Chairman, Prequalification, Bids and Awards Committee
