MEMORANDUM

TO : ALL MALACAÑANG AWARDEES
(March 14, 2005; copy is attached)

SUBJECT : PERFORMANCE OF ELECTRIC COOPERATIVES
(ECs) AT THEIR BEST

Congratulations to all the Awardees! Your selection had been a choice among the Hall of Famers and Outstanding Performers. No less than the President, Her Excellency Gloria Macapagal-Arroyo has recognized the ECs' valuable contribution to this country's progress. As we move to another chapter in the history of the rural electrification program, we SALUTE all those ECs which have consistently made their excellent mark year after year, and to the men and women who have remained steadfast in their commitment and dedication to excellent performance.

A more elaborate awarding ceremony will be held in April to already include all other recognition awards for the Year 2004 performance.

Year 2005 will be a more challenging one. Everyone, every EC will start at ground zero. While possibly not new, another set of outstanding performers and achievers shall rise to be recognized, and hopefully sustain this enviable feat of surviving the ever increasing demands of the industry.

Details of the Malacañang ceremony will be transmitted to you this coming week. Please be prompt and come at your best.

Again, CONGRATULATIONS!
