RE: SUPPLY OF 1,300 PIECES OF KILOWATT-HOUR METERS, CLASS 5(100), SINGLE PHASE, ELECTRONIC TYPE, 240V, 60HZ, BOTTOM TYPE

Please be informed that based on the opening of sealed canvasses conducted last August 17, 2023, CASURECO II hereby declares the failure of bid for the supply of 1,300 pieces of kilowatt-hour meters, class 5(100), single phase, electronic type, 240V, 60Hz, bottom type due to the unavailability of ERC seals in the provided sample meters, which is a mandatory requirement.

Considering this situation, CASURECO II invites bidders to submit their proposal on or before September 7, 2023, which will be opened on September 8 at 9 a.m. As for the delivery schedule, we require the units to be delivered within 10 days after the issuance of purchase order. Payment shall be made 45 days after the delivery of the kilowatt-hour meters. The kilowatt-hours must come equipped with ERC seals.

In the event that your accreditation with CASURECO II is not yet established/has expired, kindly ensure that the necessary accreditation documents are attached to validate your quotation. Please see attached checklist for accreditation.
