b. Methane;	f. Carbon Dioxide;
c. Ethane;	g. Oxygen; and
d. Ethylene;	h. Nitrogen.

6. Submission of certified test results to the concerned department and personnel.

General Notes:

- 1. Power supply provision for the oil purifying machine; and
- 2. It is required that all test equipment undergo updated calibration.

VI. OTHER WORKS

In case there is a work that needs to be performed other than those specified in the “Scope of Work,” the contractor shall undertake to do the same. The attributable cost/s thereof shall be for the account of the Cooperative and denominated as an "Emergency Purchase," which shall be subject to the approval by the Management prior to its implementation but shall in no case exceed three percent (3%) of the original contract price.

VII. REVENUE LOSS

In the event a defect and/or malfunction is encountered in connection with or arising out of the said project, and the same is not attributable to the Cooperative, any revenue loss or losses incurred by ISELCO-I by reason thereof shall be for the account of the Contractor.

VIII. CONTRACT/DELIVERY PERIOD

Fifteen (15) days from receipt of the Job Order (Preferably Saturday or Sunday).

IX. PAYMENT TERM

Thirty (30) days from the completion of the project.

X. POWER INTERRUPTION

The Contractor shall, upon receipt of the Job Order, coordinate with ISELCO-I representatives/personnel in case power interruption is necessary so that the Cooperative may issue a “Notice of Power Interruption” at the earliest time possible.

The first Duration of power interruption for Power Transformer Main Tank shall be for a maximum period of (12) twelve hours only. Similarly, the second power interruption for On-load Tap Changer shall also be for a maximum period of (12) twelve hours only.

XI. RETENTION

Upon completion of the project, the Cooperative shall, as a manifestation of due diligence on its part, retain, for a maximum period of thirty (30 days), ten percent (10%) of the total payment. Upon expiration of the said period, the Cooperative shall return the same to the Contractor.

XII. AWARDING OF CONTRACT

Awarding of contract shall be on a per lot basis.

XIII. LIQUIDATED DAMAGES

Where the Contractor refuses or fails to satisfactorily complete the work within the specified contract time, plus any extension time duly granted, and is thereby in default under the contract, the Contractor shall pay ISELCO-I for liquidated damages, and not by way of penalty, an amount equal to one-tenth (1/10) of one percent (1%) of the cost of the unperformed portion for every day of delay. Once the cumulative amount of liquidated damages reaches ten percent (10%) of the amount of the contract, ISELCO-I may rescind or terminate the contract, without prejudice to other courses of action and remedies available under the circumstances.

XIV. FORCE MAJEURE

If a force majeure situation arises such as but not limited to flood, fire, storm, typhoon, earthquake, and such other unforeseen events that prevent the Contractor from fulfilling its obligations under the contract, the Contractor shall promptly notify ISELCO-I in writing of such condition and the cause thereof. Unless otherwise directed by ISELCO-I in writing, the Contractor shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure.

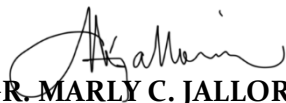

XV. RESERVATION CLAUSE

The Isabela-I Electric Cooperative, Inc. (ISELCO-I) hereby reserves the right to reject any or all bids, to award in whole or in part, declare a failure of bidding, or not to award the contract without disclosing any reason, to waive minor defects or infirmities therein, and to accept such bids as may be deemed advantageous to ISELCO-I.
