

**TECHNICAL ADVISORY NO. 02**  
**Series of 2024**

**TO : ALL ELECTRIC COOPERATIVES**

**SUBJECT : ENERGY AND INTERRUPTION DATA**

**DATE : February 08, 2024**

---

Under Republic Act No. 10531 and its Implementing Rules and Regulations (IRRs), otherwise known as the "*National Electrification Administration Reform Act of 2013*", the Electric Cooperatives (ECs) are required to submit various reports to the National Electrification Administration (NEA).

The EC submissions are done through the Data Entry Templates (DET) of NEABIT, which has been under maintenance since March 2023. The System is unable to generate reports produced by NEA for internal functions like assessing the ECs.

While waiting for the resumption of the NEA BIT, the NEA Engineering Department initiated an alternative way, where the ECs can submit their reports through Google Sheets.

To access the Google Sheet Templates, see Annexes A and B and click the link provided for your EC. Fill-up all the needed information.

Relative to this matter, the NEA Engineering Department has partially accomplished the templates based on your January to September 2023 Energy and Interruption DET. Kindly review, edit, and complete the inputs.

Meanwhile, the ECs are advised to submit the reports through NEA BIT. DETS i.e. this Google Sheet Templates would be parallel submissions.

The inputs shall be used for the 2023 EC Overall Performance Assessment.

For clarification and query on this, you may coordinate with Engr. Rexon M. Argana or Engr. Eleazar C. Pangasinan Jr. directly at (02) 8929-1909 loc. 190 or [nea.engineeringtod@yahoo.com](mailto:nea.engineeringtod@yahoo.com).

For strict compliance.

**ENGR ERNESTO O SILVANO, JR.**  
Deputy Administrator for Technical Services
