DEPARTMENT OF ENERGY

MEMORANDUM

TO : **All Distribution Utilities**

FROM : **Mario C. Marasigan, CESO III** 
Director IV, Electric Power Industry Management Bureau

CC : **National Electrification Administration**

SUBJECT : **Submission of Updated Total Electrification Master Plan**

DATE : 16 October 2019

This is in line with the Government's Total Electrification Program which is designed to increase and accelerate access to electricity services of the unserved and underserved communities and households in the country while contributing to poverty alleviation.

In support of the said flagship program of the Government which aims to attain 100% total household electrification by 2022 based on the 2015 household population census, the Department hereby requires all distribution utilities to submit an updated and complete Total Electrification Master Plan for their respective franchise using the guidelines accessible through the following link together with the initial Energy Regulations (E.R.) 1-94 electrification fund allocation: <http://tiny.cc/TEPFiles>

Please submit the updated Total Electrification Master Plan through the following link: <http://tiny.cc/TEPsubmission> on or before **23 October 2019**.

For inquiries, you may contact Engr. Marc Louie L. Olap of the Rural Electrification Administration and Management Division at telephone nos. (02) 479-2900 loc. 418 and (02) 840-1731 or email at doe.totalelect@gmail.com.

For your guidance and strict compliance. Thank you.
