SUBJECT : Submission of the updated enhanced-Integrated Computerized Planning Model (e-ICPM)

As a result of the recent briefing session conducted on the updated e-ICPM held on September 14, 2023 at Acacia Hotel, Davao City for Mindanao Electric Cooperatives (ECs), all concerned ECs are hereby advised to submit the accomplished template pursuant to the provision of the RA 10531.

We are pleased to inform you that the updated version of the e-ICPM is now available for download. You can access the latest version of the e-ICPM through the following link:
<http://tinyurl.com/eicpm2023>.

Please submit your updated e-ICPM for the Five-Year Workplan (2023-2027) applicable to both grid and off-grid ECs no later than October 15, 2023. This will allow NEA to compile and analyze the data efficiently for planning and coordination purposes prior to the conduct of the Regional Deliberation Workshops which will commence on November 2023.

We kindly request that all ECs submit the updated version of the e-ICPM in a timely manner to ensure the effectiveness of our planning processes. Please send your accomplished e-ICPM template to Corporate Planning Office (CPO) at eicpm2023@gmail.com. Your cooperation in this matter is crucial, which will allow us to collectively enhance our capacity for sustainable and efficient electricity distribution as it constitutes as an essential tool to the Capital Expenditure (CAPEX) Plan Application to Energy Regulatory Commission (ERC).

Should you encounter any difficulties in accomplishing the template or require technical support, please do not hesitate to contact Mr. Girrard Yumul of CPO at 09354687322 or email at corplanreppdd@yahoo.com.

For your compliance. Thank you.

LUISA I. HERNANDEZ
Department Manager
Corporate Planning Office
