

NATIONAL ELECTRIFICATION ADMINISTRATION

"The 1st Performance Governance System-Institutionalized National Government Agency"

03 June 2024

MEMORANDUM **2024-26**

TO : ALL ELECTRIC COOPERATIVES

SUBJECT : Wearing of Solidarity Shirt for the Commencement of the 15th National Electrification Administration Awareness Month (NEAM) Celebration

In commemoration of the National Electrification Administration's (NEA) 55th Anniversary and the 15th NEA Awareness Month (NEAM), we will conduct a series of activities in August 2024. This year's anniversary theme, **"ECs Keep the Lights On"**, is a celebration of the pivotal role of the NEA and ECs in achieving significant milestones in our quest for total electrification.

Therefore, we highly encourage the ECs to wear the Solidarity Shirt on **Friday, 02 August 2024** as we mark the commencement of the NEAM. In addition, this event will formally launch the Solidary Shirt with the official NEA 55th Anniversary logo.

Moreover, EC members can wear the Solidarity Shirt during cooperative events and activities. The digital copy of the Solidary Shirt is available for download on the NEA Official Website.

Thank you for your continued support.
