Instructions:

- Please note that this statement shall be supported with NOA, Contract, NTP and other docs, if necessary.
- The bidder must have completed, within the period specified in the Invitation to Bid, an SLCC that is similar to the contract to be bid, and whose value, adjusted to current prices using the Philippine Statistics Authority (PSA) consumer price indices, must be at least fifty percent (50%) of the ABC. However, in the case of Expendable Supplies, said SLCC must be at least twenty five percent (25%) of the ABC.

If, at the outset and after conducting market research, the Procuring Entity can already determine that imposing the same will likely result to: (a) failure of bidding, or (b) monopoly that will defeat the purpose of competitive bidding, the Procuring Entity, in lieu of the above, may require the following:

- a) The bidder should have completed at least two (2) similar contracts and the aggregate contract amounts should be equivalent to at least the percentage of the ABC as required above; and

- b) The largest of these similar contracts must be equivalent to at least half of the percentage of the ABC as required above.

For this purpose, the similar contracts mentioned under (a) and (b) above must have been completed within the period specified in the Invitation to Bid. The Procuring Entity may clarify in the Bidding Documents the definition or description of what it considers to be a similar project.

- The bidder must have completed an SLCC that is similar to the contract to be bid, and whose value, adjusted to current prices using the PSA consumer price indices, must be at least fifty percent (50%) of the ABC to be bid: Provided, however, That contractors under Small A and Small B categories without similar experience on the contract to be bid may be allowed to bid if the cost of such contract is not more than the Allowable Range of Contract Cost (ARCC) of their registration based on the guidelines as prescribed by the PCAB.

Moreover, a contract shall be considered “similar” to the contract to be bid if it has the same major categories of work. The Procuring Entity may clarify in the Bidding Documents what is regarded as major categories of work.
