Further, the following clarifications are in order:

- The Single Line Diagram will be the basis for the design of 69kV and 13.8kV connection assets. The costs of these connection assets should be included in the proposed Bid Price.
- Electronic issuances by the Bureau of Internal Revenue (BIR) through its eFiling and Payment System (eFPS) are accepted. These include filing and Proof of VAT Payments only. Other documents including the Audited Financial Statements should be stamped 'Received'. The same mechanism will also apply to government entities issuing certificates and/or other pertinent documents electronically.

Please be guided accordingly. Thank you.

CERTIFIED AND APPROVED:
