Bidder	Item	Provision	Comments/Observations/ Clarification	PELCO I Response
Citicore	SB #5, page 3 of 14 - Technical Bid (Folder 4) TB1	"Yes, the bidder is allowed to list a maximum of two (2) nominated plants from which it shall source its supply of electricity. The bidder is not required to provide the complete set of eligibility requirements for each plant. However, only a Notarized Certificate of Availability from the plant/s from which the bidder shall source the supply of electricity shall be submitted."	Please confirm that the Notarized Certificate of Available Capacity should be executed by the authorized representative of the owner of the nominated plant.	The Notarized Certificate of Available Capacity should be executed by the authorized representative of the operator of the nominated plant.
Citicore	SB #5, page 4 of 14 - Terms of Reference (Outage Allowance)	For Lot C, outage allowance excludes the reduction of energy caused by unavailability of renewable sources. (e.g. solar)	Suggest to include PELCO I's response in the TOR as additional item under Outage Allowance.	The published TOR cannot be revised. However, all issued Supplemental Bulletins will be part of the Bidding Documents.
Citicore	SB #5, page 4 of 14 - Draft PSA Template (Schedule 2 Contract Capacity and/or Contract Energy)	4. It is the indicative energy for RE Supply.	Suggest to include PELCO I's response in the TOR as a qualification of Lot C's Contract Capacity.	The published TOR cannot be revised. However, all issued Supplemental Bulletins will be part of the Bidding Documents.
Citicore	SB #5, page 6 of 14 - Draft PSA Template (Assignment of Rights)	1. The Assignment is subject to ERC approval. 2. This will be discussed during PSA negotiation.	Suggest to include assignability in the TOR.	The published TOR cannot be revised. However, the Assignment of Rights is a provision in the draft PSA which is subject to ERC approval.
Citicore	SB #5 - Terms of Reference (Replacement Power)	2. Based on the Section 15, Article V of 2023 ERC Guidelines for CSP, the Supplier is responsible for the RP	Please reconsider since the draft PSA provided by ERC states that provision of the Replacement Power is the responsibility of the Buyer.	Retain original provision.
Citicore	IB - Annex C	T5 to T7 - COC/PAO, GCIS, GCMR	Please confirm that the required documents refers to that of the nominated plant.	Confirmed.

Citicore	IB - Annex J		Please confirm that Annex J must be executed by the authorized representative of the owner of the nominated plant.	The Annex J must be executed by the authorized representative of the bidder.
